# Player Registration

- This registration is only for **school players**.
- Before registering for singles and doubles, school players should register through this portal and get the player ID.
- This ID **should be used in single and double registration**
- Please keep the player ID for future events also
- The platform will be extended to maintain your own user profile next year and the player ID will be used for that
- Please contact us in case you lost your player ID

# Single & Double Registration Ctd ...

Filling the details for a single event

The screenshot shows a registration form for a single event. At the top left is the UMiSF logo. The main title is "Single & Double Registration Ctd ...". Below it, the text "Filling the details for a single event" is displayed. The form fields are as follows:

- Player ID:** 64199aab004173182a8cb311 (marked with a red number 1)
- Select Age Group:** Under 15 (marked with a red number 2)
- 3 Singles : Past Performance:** This section contains three rows of dropdowns for tournament, select level, and select winning place. The first row has "Junior Nationals" in the tournament field, "National" in the select level field, and "Runnerup" in the select winning place field. The second and third rows have empty "Tournament" and "Select Level" fields, with "Select Winning Place" dropdowns.
- Add/ remove past performance:** A button with a plus sign (+) and a minus sign (-) is located at the bottom right of the past performance section. A callout bubble provides instructions: "Add/ remove past performance. The default size is 3 rows".

1. Add the player ID; this should be a valid ID otherwise, the registration will fail
2. Choose the age group
3. Fill in your past performance (Left the spaces blank if you don't have any)
